

Office of Community Engagement and New Student Programs Objectives and Goals

Community Service-Learning:

Goals:

Communicate service opportunities to Lehman college students.

Learning Outcomes:

- Students will identify community partners that provide services related to their major.

Lehman L.I.F.E. (Leaders Involved For Everyone):

Goals:

Students will persist through the cycle of service which includes completing 25 service hours in their own community and then serving in another community outside the Bronx.

Learning Outcomes:

- Students that participate will be able to fundraise 80% of their service trip cost.
- Students who complete the Lehman LIFE training will be able to articulate the mission of the program.

CUNY Service Corps:

Goals:

Students will contribute at least 230 hours of service to NYC.

Learning Outcomes:

Students who participate in the CUNY Service Corps will learn how to balance academic requirements and service commitments through the following activities.

- Pre-service training
- Monthly workshops
- Small group meetings/1 on 1 meetings

New Student Programs:

Goals:

Expose students to campus services and resources that will enhance their academic success and overall college experience.

Learning Outcomes:

Students who participate in Orientation will be able to:

- Identify two offices they must visit prior to the first day of class.
- Successfully complete the registration process.
